General information

Karolinum Press publishes more than twenty journals in many areas of study, including humanities, natural sciences, medicine, law, education and economy. The tradition of some of these go as far back as the 19th-century, while others have been established quite recently in reaction to the current needs of the university and academic community. Karolinum Press aims to publish prestigious open access journals, available to the broadest range of readers, both in electronic and in printed formats, while always protecting the rights of authors to the maximum extent possible.

Karolinum Press provides the following services

• editorial services
• typesetting and printing
• graphic layout
• electronic publishing on the Karolinum Press’s website (www.karolinum.cz/journals)
• indexing services (EBSCO, Scopus, Medline, DOAJ, CEEOL and others)
• consultancy and training in electronic publishing and editorial practice
• content archival

DOI
Based on an agreement with the Publishers International Linking Association (PILA), Charles University is entitled, as of 2014, to allocate Digital Object Identifier (DOI). Within the university, this service is coordinated and provided by Karolinum Press.

Open access
In 2013, Charles University became a signatory of the Berlin Declaration on Open Access to Knowledge in Sciences and Humanities. As a result, all journals published by Karolinum Press are published as open journals (gold open access), and authors are allowed to self-archive preprint and postprint versions of their papers. Publishing in journals published by Karolinum Press is not subject to any article processing charges (APCs).

Distribution and subscription
Journal issues published by Karolinum Press can be purchased in the Karolinum Bookstore (www.karolinum.cz/knihkupectvi). Subscriptions to selected journals is handled by A.L.L. production, s. r. o. (www.predplatne.cz).

We welcome your suggestions for new journals or expanding cooperation in publishing the existing journals. Please do not hesitate to address Karolinum Press management or journals editorial office of our publishing house.

AUC Historia Universitatis Carolinae Pragensis

The journal AUC Historia Universitatis Carolinae Pragensis (Acta Universitatis Carolinae Historia Universitatis Carolinae Pragensis), subtitled “Příspěvky k dějinám Univerzity Karlovy” (Papers on the History of Charles University), is a periodical devoted not only to the history of the Prague university but also to the history of education and the student movement in the Czech Lands. This journal, published since 1960 as part of the Acta Universitatis Carolinae series, also publishes essays presenting original historical sources (all texts are accompanied by summaries in foreign languages, mainly in English and German). It regularly publishes reviews of and annotations on works on the history of education and annals of research activities.

AUC Theologica

Founded in 2011 and published by Catholic Faculty of Theology, Charles University, AUC Theologica (Acta Universitatis Carolinae Theologica) is a major theological journal in the Czech Republic. The journal’s scope is to provide researchers with current theological research, scholarship and interpretation. The journal is open to all the disciplines of theology, such as fundamental and dogmatic theology, biblical and patristic studies, church history and history of sacred art and ecumenical studies. The journal aims to become a platform of a scientific dialogue not only in the Czech Republic, but internationally as well.

Central European Journal for Contemporary Religion

*Central European Journal for Contemporary Religion* is a scholarly journal issued both by the Hussite Theological Faculty of the Charles University and Karolinum Press, serving as a publication platform for Comparative Religion and related scholarship. It focuses mainly on contemporary religious phenomena with special (but not exclusive) focus on Central and Eastern Europe. It should serve both as a source of information on the religious life in the region and as a reservoir of scholarly studies focused on contemporary lived religion at large. The journal also covers latest theoretical and methodological trends in Comparative Religion, Ritual Studies and other disciplines.

Envigogika

Envigogika is an academic online journal focused on environmental education, education for sustainable development and other related areas. Its objective is to strengthen the theoretical foundations of these disciplines through discussion and contribute to innovations in teaching practice. In addition to a pedagogical and philosophical disciplinary focus, the journal covers a wider variety of interdisciplinary themes. These include the social aspects of the sustainability transition and related changes in awareness, lifestyle and behaviour.

European Journal of Environmental Sciences

The European Journal of Environmental Sciences offers a mixture of original peer-reviewed research papers, which bring you some of the most exciting developments in environmental sciences in the broadest sense, often with an inter- or trans-disciplinary perspective, focused on the European problems. The journal also includes critical reviews on topical issues, and overviews of the status of environmental protection in particular regions or countries. The journal covers a broad range of topics, including direct or indirect interactions between abiotic or biotic components of the environment, interactions of environment with human society, or environmental sustainability.

About the Editor-in-Chief
Pavel Kindlman is a professor in the Institute for Environmental Studies at the Charles University. He is an associate editor of the Acta Oecologica and member of the Scientific Advisory Board of the Journal of Applied Entomology. He is also the editor of the book Himalayan Biodiversity in the Changing World and a co-author of Population Systems: A General Introduction.

Ibero-Americana Pragensia

The Ibero-Americana Pragensia annual is an academic publication published since 1967 by Charles University. It has acquired considerable prestige and since the 1990s has been annotated by one of the most famous bibliographical journals Revista Interamericana de Bibliografía, published by the Organization of the American States. It was the first academic periodical in Central and Eastern Europe published in Spanish. It presents mainly essays in history, literary science and linguistics, and secondly also in ethnology, arts history, philosophy and other humanities fields. The section titled “Materials” presents sources on the relations of Central Europe with Spanish and Portuguese speaking regions.
Orbis scholae

Orbis scholae is a journal published by Charles University, Prague, in cooperation with Masaryk University, Brno. It features articles on school education in the wider socio-cultural context. It aims to contribute to our understanding and the development of school education, and to the reflection of teaching practice and educational policy.
